Subject: Request for production of FURTHER documents, related to Petition #: 19-35944-cgm

Emanuel never got back on this request for further docs.

Dear debtor (Mr. Emanuel) and Mr. Bauer, I have been waiting, and still need to investigate.

I need court help to get those docs.

I have received your email in response to some parts of my request. Thank you! And I still need production of the following documents as requested last time.

The parties (including their bank info and account names and account numbers) that the debtor distributed the sale proceeds to, and how each of the parties relates to the debtor.

Just to help, if any of the parties' bank account info is not available (eg. via check), you can mark "Not Available". For all wired and direct bank transactions, please list the bank info (bank branch, account name and number). And, you need to produce how each party is related to the debtor, line by line.

In addition, based on your initial response, I request for production of further documents in this table.
